TRAINING A RELIABLE REGALL

1

- Pick a special recall word. This should not be your dog's name, "come" ything else you might say
 absentmindedly. Unique words like pickle, snickers, pronto or a word it to be rent law to e are all good
 choices.
- Pick a special recall food. This is resetting your dog does not reset to be steak or cheese. We want to be she minds!
- Prepare food at least 1 house for to pract gights exercise. Be snead to call them.

2

- Inside your hor when your dog is not payir won, se your special word one time and follow with clapping, happ and your best cheerle when your best cheerle when your best cheerle when your special word one time and follow with the clapping, happy and your best cheerle when your special word one time and follow with the clapping when your dog is not payir when your special word one time and follow with the clapping when your best cheerle when your special word one time and follow with the clapping when your best cheerle when your special word one time and follow with the clapping when your best cheerle when your special word one time and follow with the clapping when your best cheerle when your special word one time and follow with the clapping when your best cheerle when your special word one time and follow with the clapping when your best cheerle when your special word one time and follow with the clapping when your best cheerle when your special word one time and the clapping when your best cheerle when your special word one time and the clapping
- When your decomes and surprise him/her with dful decourspecial food.
- Repeat a m 3x per sy at random time so not practice f the home yet!

3

- Once your dog comes run. Ig enthus ally at home, pick the quietest outcomes you can imagine (e.g. your backyard, a tennis court, very apark, with a long-line). Try your recall the reward **generously**.
- Use a long line the first few times your and your so you can ensure your dog doesn't run off when you call them.
- If your recall is 100% reliable in the quiet environmer a park with no dogs to a park with one dog. Only try ar rece than a stractions if it is very strong in the current environment.
- Things that will make your recall harder include more dogs, sor a critters in the environment and how long s/he has been there. The more recently you have arrived, the record difficult it will be for your dog to come back.

RECALL DON'TS

- Don't ever scold or punish your dog for coming to you, even if it took a long time
- **Don't** overuse your recall; max 3x per walk!
- Don't forget to reward your dog for checking in with you off-leash
- **Don't** stop rewarding each and every time!
- Don't only call your dog when you are leaving the park/the fun is ending
