

STRANGER DANGER DOGS

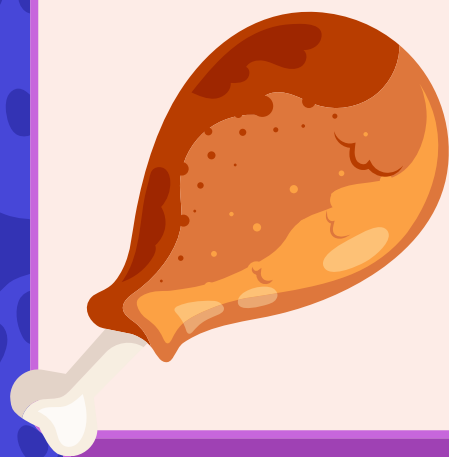

Safe and Effective Interactions

Do

Meet in a neutral area first

Do

Pair strangers with yummy food

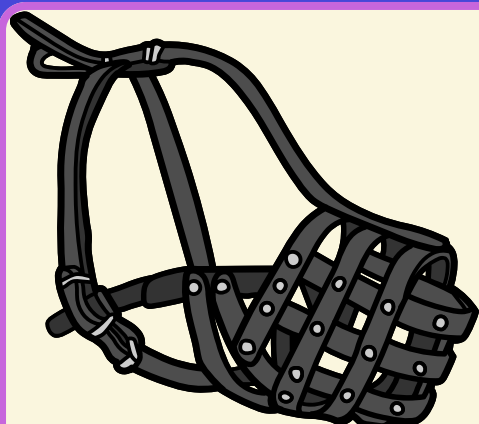

Allow your dog an escape route and safe space

Do

Walk parallel with strangers and have them approach in a zig-zag pattern

Do

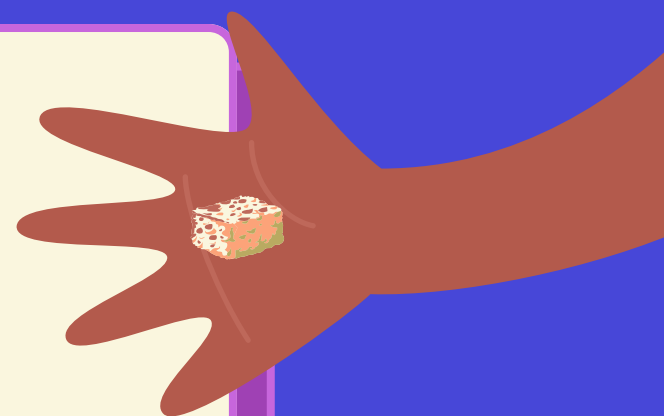

Use safety measures, such as leashes, gates and muzzles

Have strangers walk to touch

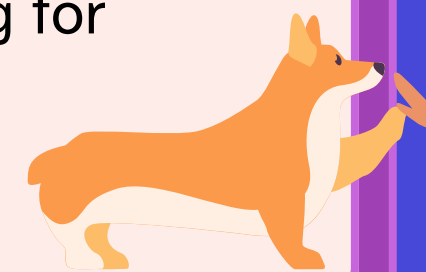

Don't

Have strangers feed your dog

Don't

Have strangers ask your dog for tricks or interaction

Don't

Have strangers stand head-on or make direct eye contact

Don't

Rush to interaction; this puts people at risk!

Please note: these rules are general in nature and your dog may require a different approach. Work with a trainer or behavior consultant for an individualized plan.
